

CARYS LEWIS

CHARACTER ARTIST
3D ANIMATOR

INTRODUCTION

Currently looking for work in the character art and 3D animation fields. Recently graduated from Northumbria University with a First Class Honours in Animation, and I'm keen to get started in industry. My favourite things to do are creating characters and then bringing them to life through 3D animation.

I'm currently using my time in between jobs to teach myself software I didn't learn at University, like Substance Painter and ZBrush.
